

## Gold/Silver Experience

Concrete and Steel Structures	Canada
Material Handling System - Design and Detailing	Canada
Mine and Mill Study	Canada
Wet Sprinkler System	Canada
HVAC System	Canada/Kyrgyzstan
Earthworks and Pipelines	Kyrgyzstan
Feasibility Study/Estimating	Kyrgyzstan
Mine Feasibility Study and Mine Ventilation Plan	Kyrgyzstan
Permafrost and Seismically Active Structural Analysis	Kyrgyzstan
Pit Development and Civil Design	Kyrgyzstan
Mine HVAC/Heating System	Mongolia
Access Road, Site Grading and Drainage, Service and Utility Pipelines	Peru
Leaching Circuit – Detailed Piping Design	Peru
Detailed Mine Plan/Design, Dewatering System, Detailed Crushing and Conveying	United States
Dewatering Maintenance Facility	United States
Dust and Emission Control/Exhaust System	United States
Structural Investigation and Remedial Work	United States
