

Petrochemical Experience

Agitator Tank	Canada
Coke Handling System Upgrade	Canada
Railway Spur - Coke Dewatering	Canada
Compressor Stations	Canada
Dykes and Retention Ponds	Canada
Electrical Upgrades	Canada
Estimating for Tar Sands Mining and Extraction Facilities	Canada
Expansion Study	Canada
Extraction Pilot Plant - Procurement/Cost Control/Equipment Expediting	Canada
Foam Fire Protection System	Canada
Freezing Review	Canada
Heavy Oil Upgrader - Document Control/Vendor Data/Quality Control	Canada
Heavy Oil Upgrader and Refinery Modifications	Canada
HVAC System for Extraction Plant	Canada
Instrumentation and Control Strategies	Canada
Natural Gas Pipelines and Facilities - Engineering, Procurement and Construction	Canada
Oil Storage Tank Retention Area	Canada
Pilot Plant	Canada
Reduction of Sulphur Emissions	Canada
Shaft Design - Access to Underground Pipe Break	Canada
Steam Header Design	Canada
Study of Tailings Disposal and Reclaim Expansion	Canada
Water Treatment Area	Canada
Process Piping, Pipe Racks, P&ID's and Pipe Support	Canada/China
Process Design and Improvement	China
